ADULT LEAGUE CODE GUIDE

Listed below are the area bowling centers with their 2008-2009 USBC adult sanctioned leagues. The code assigned letters (BB, FB) to each center and then a number (001, 002, 003, etc.) is to indicate the league bowling at that center. For example, BB001 would indicate Airport Peterson Point at Bird Bowl. The code is used after each bowler's name to indicate each league in which the bowler has an average for 21 games or more as of May 1st.
